

- Play Tennis
- Awareness for Sands
- Raise Funds

The Longest Rally is the creation of local tennis coach, Lynton Joseph who along with his wife gave birth to their son Jonty on May 26, 2016. Jonty also went to heaven with many other angels on this day too. Both Lynton and his wife Cara, like other families in similar situations have received tremendous support from Sands Victoria. As a result and in order to honour their son, Jonty, 'The Longest Rally' was created to allow others to remember too. The Longest Rally has been set for October 29, 2017 at the East Coburg Tennis Club from 1pm to 8pm. The aim of the day is to raise funds and awareness of what Sands has been doing for over 30 years.

# The Longest Rally

*Play Tennis and raise funds and awareness for Sands who provide support, information and education to anyone affected by the death of a baby before, during or shortly after birth.*

## What is The Longest Rally?

The Longest Rally is an opportunity to hop on the tennis court, try and break some records, receive free lessons, have a bite to eat, enjoy a drink and soak up local entertainment. There will be lucky door prizes, silent auctions and a children's craft activity area. Have extra fun by registering as a team from your local supporting tennis club and compete against other teams. Gather your family and friends, local school, community group or workplace.

Register your donation for the day here:

**YOU CAN HELP** raise awareness for Sands too. Approximately 2.7 stillbirths and newborn deaths occur daily in Victoria alone and 25% of pregnancies end in miscarriage. Despite the prevalence of these deaths, it remains an experience that is rarely talked about in public. You can help break the silence.
