President's Report

The North Suburban Night Tennis Association has enjoyed another year of performing strongly on court and maintains a healthy financial position on paper. With Robert McDonald leading the Match and Permit Committee on court activities in arranging the Association's Autumn and Spring Competitions for around 3,000 players in each season; whilst Graham Sandman keeps a watchful eye on the Association's balance sheets.

Obviously Robert has helpers; to his Match and Permit Committee members of Cathryn Ryan, Russell Baldry, Ian Openshaw, Steve Senior, Christopher Tenace and Charles Warwick. Thank you and well done. Also for the Association's Executive Committee of Maria Keys, Russel Baldry, Cathryn Ryan and Graham Sandman - thank you and well done. Did you know? Maria has been either President or Vice President for 42 of the 43 years that the NSNTA has been in existence. Amazing.

Also a special mention to Gaye and Peter Olney for manning the results phone-in nights, Sue Malins as Men's Grade Co-ordinator and Ian Openshaw for his commitment in testing court lighting levels and maintaining an agreed competition court lighting standard.

To Club Delegates – from time to time issues arise and new ideas are expressed usually requiring an amount of give and take to resolve. Not to mention new ideas in the running of the competition e.g. replacement of match result book system. We on the Committee value these ideas and the efforts of Delegates as it is greatly appreciated by us and your individual Clubs.

So, here's looking forward to a successful 2024-25 year, with continued co-operation both on and off the court.

Larry Pelly
President

Match & Permit Committee Report

I am pleased to report on another successful 12 months for the NSNTA Match and Permit Committee.

During the last 12 months, there were several changes to the membership of the Association. Two clubs ended their affiliation with the NSNTA: Parkville Tennis Club which had not entered teams for several seasons, and Corpus Christi Tennis Club which closed at the end of 2023. Corpus Christi had been a member of the Association for 40 years and we thank them for their contribution over this time. Three new clubs joined the Association: St. Christopher's Tennis Club affiliated at the October 2023 meeting and entered a team in the Autumn 2024 season. At the April 2024 meeting Glenroy Community Tennis Club and St. Albans East Tennis Club had their applications for affiliation approved, and they can enter teams for Spring 2024.

Participation in the three competitions remains strong, with Ladies and Mixed team numbers remaining steady and Men's team numbers continuing to increase. I would like to thank our Competition Coordinators who ensure everything runs smoothly week to week: processing results, updating ladders, monitoring emergency players, assessing additional registrations and dealing with a range of other issues. For Spring 2023 the coordinators were Steve Seinor, Russel Baldry and Ian Openshaw and for Autumn 2024 Steve Seinor, Russel Baldry and Sue Malins.

Outside of the regular running of the competition, it has been a busy 12 months for the Match and Permit Committee, with a number of other initiatives being pursued.

At the 2023 AGM, clubs approved changes to the NSNTA Constitution which enabled the Association to adopt a boundary defining the geographical area within which the courts of affiliated clubs must be located. This helps limit travel times for players and provides clarity to new clubs seeking to join the Association as clubs are only eligible to apply to affiliate if they are located within the boundary and clubs outside the boundary can no longer apply.

Clubs also approved a new NSNTA Court lighting policy. The new policy has brought the NSNTA's required lux levels closer to the Tennis Australia guidance and introduced an additional requirement about the maximum number of points permitted to be below the minimum, to ensure consistency within a court. We have written to all clubs who need to make improvements to their court lighting to meet the new requirements and hope all clubs will do so before the new policy takes effect on 1 July 2025. I would like to particularly thank Ian Openshaw, who has once again tested over 100 courts to ensure lighting levels are meeting the required standards.

Following a consultation process with clubs, in November 2023 the Match and Permit Committee issued dispute resolution procedures for NSNTA matches. The aim of the procedures is that most disputes are resolved between the two teams on the night and the document provides guidance captains and teams to help them resolve disputes. We hope this will reduce the number of protests the Committee has to deal with going forward.

We also circulated a discussion paper to clubs about team withdrawals with a proposal to amend the By-laws and remove the option to withdraw a team. This followed several seasons with many team withdrawals resulting in several grades with two Bys. Following feedback from clubs, we decided not to proceed with the proposal but continue to request clubs confirm player commitments before submitting teams to avoid team withdrawals as much as possible.

At a Special General meeting in February 2024, a proposal was put forward that the Association no longer provide match result books to clubs to reduce printing costs. This proposal was approved by the required majority clubs and from the Spring 2024, match result books will no longer be provided. Instead, clubs are required to print and provide

their own match result sheets for their home teams. Away team will no longer receive a carbon copy of the match result, and instead must take a photo or make a copy of the match result sheet.

I thank the other members of the Match and Permit Committee for their work and support over the past year: Russel Baldry, Ian Openshaw, Cathryn Ryan, Steve Seinor, Christopher Tenace and Charles Warwick. My thanks also go to the members of the Association's Executive, Larry Pelly, Maria Keys and Graham Sandman, for their advice and assistance.

Robert McDonald
Chairman - Match & Permit Committee

Treasurer's Report

It is with pleasure that I present to you the Treasurer's report for the year ended 30 June 2024.

The Income and Expenditure statement shows a net loss of \$2,367.67 for the year ending 30 June 2024 compared to the previous year when we had a net profit of \$1,689.98. The loss can be attributed to the purchase of a new light meter light meter, two new printers for the grade secretaries to use, an increase of the cost of the premiership glasses and an increase in the travel allowance payment for the testing of lighting at clubs.

The Association will continue to absorb the GST charges.

I recommend that: -

- Affiliation Fees remain at \$30.00 per club for the next 12 months
- The team entry fees to be reduced to \$30.00 per team.

The reduced team entry fee reflects the anticipated lower expenses following the decision to cease the printing of match result books.

The assets and income of the North Suburban Night Tennis Association Inc. will be used to further its objectives and no portion can be paid directly or indirectly to the members of the Association except as genuine compensation for services rendered or expenses incurred on the behalf of the North Suburban Night Tennis Association Inc.

I would like to take this opportunity to thank the members of the Match & Permit and Management committees for their support and assistance they have extended to me as the Association Treasurer.

Thank you
